- Make sure to pick up a Players Club Awards Card at golf shop counter. You can do this at anytime.

## League Adopted Rules

- **Play Ready Golf !!**
- **Winter Golf Rules apply through May.** This means that if your ball lands on a patch of bare ground (or snow), where there should be grass, then you can move your ball to the closest grass, no closer to the hole.
- **Rule for ball in sand trap:** If the ball lands in a hoof or foot print in the sand trap, we can lift ball, rake sand, and replace ball without penalty.

- **Rule for lost ball:** Maximum 3 minutes to search for ball. If not found, drop the ball 2 club lengths from where you think it was lost & add 1 stroke. From the Tee Box, if you think your ball is lost, play a provisional.
- **Rule for Hole 16 at Oak Marsh:** You **MUST** play every shot & **IF** the ball goes into the gully, you can drop on the other side with a 1 stroke penalty. NOTE: there is NO marked drop zone on the other side – **BE FAIR** when dropping the ball!
- **If you quit a hole**, continue to play, BUT your ENTIRE game is void for ALL STATS that week.
- **All water hazards are RED staked.** If your ball goes into the water, a new ball may be dropped within 2 club lengths from where the ball entered the water & take 1 stroke penalty. **If it goes into “casual” water (e.g., puddle)**, move ball to nearest dry area, no closer to the hole. No penalty is taken.
- **At Oak Marsh, if a ball hits a power line**, you must hit another ball from where you originally hit (with no penalty stroke).
- **On the tee box**, tee off between the red tee markers & no further than 2 club lengths behind those markers.
- **You MUST count every stroke**, including whiffs, and you MUST putt out. (No Gimmies!)
- **To speed up play**, it’s okay to putt while on the green with the flag stick in the hole (you may have flag stick removed or leave it in – your choice), with NO penalty if you hit the flag.
- **If you have an unplayable ball in a bunker**, you may drop outside of the bunker, no closer to the hole, **for a 2 shot penalty**. Note: YOU decide it’s unplayable, e.g., buried into the side of the bunker.
