## General League Information

### League Format

- Teams will play with their own groups each night.
- Because we shotgun start it is important that all groups start at the same time. If groups start early or late it affects the pace of play for all of the other groups, please adhere to the shotgun start policy. (5:30 Shotgun)
- Each week prizes will be awarded to the winner(s) of the designated event. This year after all of the scorecards have been turned in at the end of the night, we will take the names of the women who played that evening and have a drawing for the night for a drink ticket. If you won the event prize that night you will not be eligible for the drawing that evening.
- Turn completed score cards in to the League Recorder or Golf Shop each night
  - Please write your team #'s on your card.
  - Please write 1<sup>st</sup> and last names on scorecards.
- All players must have a MGA handicap. The League Recorder or Golf Shop Staff will post scores for you in the handicap computer each week.
- Each woman who has paid their full league dues will be included in prizes at the August 18<sup>th</sup> League Banquet.
