

OAK MARSH MONDAY NIGHT GOLD GOLF LEAGUE 2023

Play starts Monday May 1st, 2023 @ 5:30 P.M. (Weekly Shotgun Start)

We will play every Monday besides May 31st (Memorial Day) and July 5th. We play 17 weeks total, 16 weeks of regular season matches & Championships the Final week.

Teams must have 4 golfers every week:

\$27.00 per man / \$108.00 per Team (1/2 cart fees are not included)

16-week pre-paid passes are available for purchase before the season, which would cover all regular season matches plus the League Championship/year-end scramble.

Passes cost \$400 (\$25.00 x 16 weeks), and can also be used for regular Twilight rounds.

These rounds do not include cart. League play is facilitated using Golf Genius, which is the required phone app for all players. Each player will have a unique GGID that they can use to sign up and score their round every week.

You will be charged for four golfers each week whether you have them or not, with no-shows being charged against the team deposits. Players will pay individually every Monday night in the golf shop, or over the phone anytime before 5:00 PM that day. Credit card information is also able to be stored by GolfNow in order to make this process faster. Each Team will be required to pay \$200 as a deposit to secure your team a spot in the league. Any no shows each week will be taken out of the \$200 deposit. Any money remaining from the deposit will be returned at the year end Banquet.

- Monday June 26th will be the end of the First Half.
- July 10th will be Burger Night following play.
- Monday August 21st will be the end of the Second Half.
- Monday August 28th will be our Final Night - League Championship and Year-End Scramble, followed by the Year End Banquet and prizes.

We will do our best to notify golfers in advance in case of inclement weather and cancelling league night if there is a guaranteed wash-out. If we do decide to cancel, we will contact team captains who will then be responsible for relaying the message to the golfers on their team who are playing that week.

Thank you all and we are looking forward to another great season!

Scoring Breakdown:

- Every week, the active players of that league night will be ranked in order of lowest handicap to highest handicap, with the lowest handicap being the “A” Player and the highest handicap being the “D” Player.
- If you have a sub that has not played before, please report their handicap before the round otherwise it will be marked as 0.
- The “A” and “B” Players will be grouped with the “A” and “B” Players of the team they are playing against, and the same goes for the “C” and “D” Players.
- If you cannot find a sub and do not have 4 players for the week, any no-shows will end up in a match forfeit and the other team will automatically receive 2 points.
- Every golfer will play their own ball, and scores will be marked on the designated scorecard for the match, which can be found in the Golf Genius app.
- Please make sure everyone looks over the scores at the end of the round to double check for accuracy.
- 2 points can be scored in each match. You receive 2 points if you win your match, and each player will receive 1 point if the match ends in a tie.
- With 4 matches each week, your team can score a maximum of 8 individual points.
- Strokes are determined using the “off-low” method, which means if you are a 6 handicap, and your opponent is a 2 handicap, you will receive 4 strokes and your opponent will receive 0 strokes. All matches are based on net scores.
- The 1st place team after 8 weeks will be the winner of the 1st Half, then points will be reset and the 1st place team after the next 8 weeks will be the winner of the 2nd Half. These 2 teams will play each other on the Final Night for the League Championship, using the same scoring format as the regular season.
- If the same team wins both the 1st and 2nd Half, the 2nd highest scoring team of the entire season will be in the League Championship Match.

If there are any questions regarding league setup or scoring, feel free to contact the Golf Shop by email at om@oakmarshgolf.com or by phone at 651-730-8886 ex. 3.
