General League Information

League Format

- Teams will play with their own team each night. Subs are available if you can let the golf shop know the day prior.
- Because we shotgun start it is important that all groups start at the same time. If groups start early or late it affects the pace of play for all of the other groups, please adhere to the shotgun start policy. (5:30 Start). All teams should play in 2 hours, 15 minutes from their first shot until they return to the clubhouse. Proper PACE of PLAY ensures finishing at the same time for everyone.
- Each week prizes will be awarded to the winner(s) of the designated event. Weekly winners will be in gift cards, available in the golf shop the following week at the check-in table.
- Turn completed score cards in to the Golf Shop each night:
 - Please write your team #'s on your card.
 - Please write 1st and last names on scorecards.
- All players must have MGA GHIN handicap. Golf Shop Staff will post scores for you in the handicap computer weekly.
- Each woman who has paid their full league dues will be included in prizes at the August 14th League Banquet.
